## TRUST COTTON WITH YOUR PROPERTY PRESERVATION & RESTORATION

Cotton Global Disaster Solutions is a full-service company with decades of experience in medical environments, commercial restoration, and construction services. Whether you're looking to expand a facility, remodel an existing structure, or need repairs due to property damage or loss, Cotton GDS has the resources, expertise, and skills needed to help.

### BACKED BY DECADES OF EXPERIENCE

After 20 years of providing restoration services to healthcare facilities, Cotton GDS understands the unique requirements of the industry. Cotton GDS follows the ICRA standards developed by ASHE and the CDC. At each healthcare environment Cotton GDS performs services to ensure a safe work environment to the project team, hospital staff, and their patients.

From minor projects to emergency services, Cotton GDS has the resources your team needs to carry out a project from the development of a business case to construction implementation. Our experts work alongside your team to accomplish one or all phases of your project development.
