WELLNESS SHOP

THE SERVICE YOU EXPECT FROM THE PARTNER YOU TRUST

Sōlace Pharmacy and Wellness Shop is an independently owned and operated pharmacy in the rapidly developing Francisville/Fairmount neighborhood. We are a **full service retail and compounding** (non-sterile) pharmacy, **equipped** to supply a wide **variety** of individual and **facility-based services**.

After obtaining his Pharmacy Doctorate from Florida A&M University in 2008, Marcus Patterson worked in multiple practice settings, including retail, hospital, clinic, LTC, surgery, compounding, oncology and education. With 12 years of progressive experience, Dr. Patterson decided to pursue his vision of a forward-thinking, full service pharmacy.

“I wanted to create a pharmacy experience that felt more like a continuation of your healthcare and treatment, instead of just a place to pick up pills.” ~ Marcus Patterson, PharmD, MS Pharm, MBA

SŌLACE PHARMACY & WELLNESS SHOP
