**Notes:** By comparing the **first week of April** for three years running, you can see the progressive shifts in market performance. Under the heading: **Financial Indicators**, the **Dow Jones Industrial Average**, was volatile in March closing down at 46,341. The **Consumer Confidence Index** rose slightly closing at 91.8 and **Mortgage interest rates** for a 30-year fixed inched downward to 6.375%. April will continue to see an increase in new homes on the market as Spring sales continue with good momentum.
