To Whom it May Concern,

In March 2018, we sold our business of 20 years, Commercial Maid, Inc., to Clean Team, Inc. For someone who has never sold a business before, Bob Armbruster, President of Clean Team, made it a very simple process. From our initial phone call, to in person meetings, due diligence, and closing, the whole process was truly seamless.

Bob and his team have a lot of experience and understanding of the Commercial Janitorial Industry. The transition has been smooth and well received by our franchisees. We feel confident that our franchisees are set up for success and our customers will be more than satisfied with the level of service the Clean Team provide.

Clean Team, Inc. has lived up to their obligations and I would be very pleased to recommend them to anyone looking to exit their business.

Sincerely,

A handwritten signature in cursive script that reads "Patricia Waldon".
