

# QUICK-DISCONNECTS & COLLARS

- Completely heat-treated alloy for maximum durability
- Precision gun-drilled and CNC machined
- ½" bolt retains slide collar
- Deluxe Quick-Disconnect features an internal check valve to minimize clogging & spiraled carbide studs minimize wear on quick-disconnect and collar

Standard

Carbide Stud

Chunky Carbide  
Hardfaced

Carbide Cutters with  
Chunky Hardfacing

- Extra-heavy wall thickness
- Available with carbide studs; hardfacing and chunky carbide hardfacing for maximum wear life
- Also available with carbide cutters and chunky carbide hardfacing for great cutting action and maximum wear life
- Completely heat-treated alloy for maximum durability
