

THE MT. CLARET

WINTER 2018

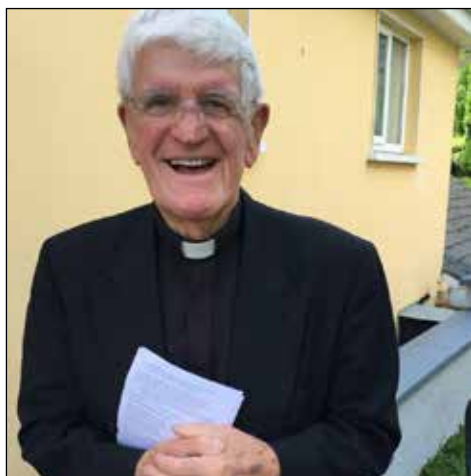

FAITHFUL

Ash Wednesday Morning of Prayer to be led by Msgr. O'Grady

Join us for a morning of prayer and reflection with Msgr. Mike O'Grady as our speaker. Msgr. O'Grady will present two talks on the Lenten theme "Understanding the death and resurrection of Jesus – how does it reflect in our lives." There will be time for Confession in between talks. The morning ends with Mass and the distribution of ashes followed by a light lunch. "Free will Offering"

Please RSVP to ssilva@mtclaret.org or call 602-840-5066.

Early Christmas present received

Thanks to donor generosity we were able to purchase two new stoves for our commercial kitchen! The old stoves were still functioning, but were 25 years old and had trouble with temperature control and pilot lights. The new stoves work more efficiently and look gorgeous in our kitchen with our new floor and paint.

Funding to improve main building

Thank you to all who generously remembered us in their end of year giving! Your gifts will enable us to continue to maintain Mt. Claret in a very special way! We are considering continuing our landscape upgrades to include the front of the main building.

We have a concept drawing of what we are thinking about. We would keep the bougainvilleas, but cut them back and fill-in with ground cover and landscape gravel to match what is around the Chapel and Christ Child Shrine.

New chapel landscaping installed

We have updated the landscaping around our chapel with new ground cover, some large rocks, new planter pots on each side of the entrance and two gorgeous Bismarck Palm trees. In addition to the plant and landscape gravel, we have added some dramatic lighting that shines from the ground up and from the trees down.
