

Common Birds of Westcave Preserve: Visitors' Checklist

As you hike or stroll at Westcave Preserve, keep an eye out for these feathered inhabitants. This is not a list of ALL of the birds at Westcave; rather, is a list of the birds you are most likely to see. We are always interested in the data our visitors collect. Let us make a copy of your checklist before you leave and if you are fortunate enough to see one of the birds that we did not include on this checklist, please be sure to tell us. Make notes regarding size, color, location, shape of beak, wing markings etc. It is all helpful information and we are grateful for your assistance.
