

Westcave Pre-Field Trip Brochure Activity

*Make a brochure to prepare your Trip to
Westcave Preserve*

Assignment:

- Fill in the blanks on the brochure outline, including the about section and what to bring.
- Choose one Flora (plant) and one fauna (animal) that can be found at Westcave Preserve.
- You can look up the flora and fauna guide on the teacher resources page.
- Flora (plant):
write the common name, scientific name, draw the plant, and write a short description.
- Fauna (animal):
write the common name, scientific name, draw the animal, draw the animals scat (poop), draw the animals track, and write a short description.
- Color the outside of the brochure and add any other design elements.

*More resources and activities can be found at
<https://westcave.org/resources/teacher-resources>*

WESTCAVE
OUTDOOR DISCOVERY CENTER

EXAMPLE:

Flora

Posion Ivy

Common name
Toxicodendron radicans
Latin name

Description

Posion Ivy is a native flowering vine whose oil causes an itchy rash in humans. Identified by 3 leaves with the a longer petiole on the center leaf.

Fauna

Northern Raccoon
Common name

Procyon lotor
Latin name

Description

The northern raccoon has four legs, a medium length black and white striped tail, face markings like a mask, and black/grey fur. Very clever and agile hand help open items, including trash cans.
