

My School To Westcave Map Activity

Use the map on the next page to learn about the trip you'll take from your school to Westcave Preserve.

1. Find the location of your school on the map. Mark the location of your school by drawing a  and writing the name of your school.
2. Find the location of Westcave Preserve on the map. It is already marked on the map with an A. In what direction will you drive to reach Westcave Preserve? _____
3. Use a ruler and the scale on the map to estimate how many miles Westcave Preserve is from your school. Westcave Preserve is ____ miles from my school.
4. Use a crayon to trace the route you will take to get to Westcave Preserve. What roads will you travel on? _____
5. If you look closely at the map, you can see that you will cross a river just before you get to Westcave Preserve. The river is called the Pedernales River. Keep an eye out for the Pedernales River on your drive to Westcave. You'll also get to see the Pedernales when you are hiking at Westcave.
