Wonder and Joy: it's in our nature!

Westcave Outdoor Discovery Center's mission is to inspire people to develop lifelong practices of valuing and enjoying nature. We connect kids and their families to nature by providing experiences and programs that foster the discovery, exploration, and conservation of the natural world.

At our core, we are advocates for protecting and taking pleasure in nature. Our preserve in southwest Travis County serves as an outdoor classroom, for visitors to come explore, discover and appreciate our extraordinary natural surroundings. By doing so, we inspire a bond between individuals and nature. But we don't stop there. We go further.

Our leadership of the Children in Nature Collaborative of Austin (CiNCA) ensures that from an early age, kids learn to feel comfortable in nature. That they have access to it and understand its importance. That they have fun outdoors. And that their connection to the natural world turns into an essential part of their daily lives, both as kids and later as adults.

Our partnership with El Ranchito summer camp continues our mission and serves as a shining example of connecting youth to nature. We believe wholeheartedly that frequent interactions with nature result in happier, healthier and smarter kids.

Ours is a complete approach to advocacy. And it presents our complete commitment to nature and conservation for today and the future.

Job Description:

As a Bus Driver for the Roadrunner Outdoor Adventure Bus, this employee will have the responsibility of ensuring the safety of the children, parents, teachers, staff and volunteers during transportation to and from Westcave Preserve and other field trips and nature outings. In addition, the Bus Driver verifies that the bus is well-maintained and clean at all times, determines appropriate bus routes, and maintains transportation records.

Essential Responsibilities/Duties:

1. Ensure the safety and well-being of all children and adults riding the bus;
2. Oversee the safe loading/unloading of passengers;
3. Drive bus carefully and in compliance with traffic regulations;
4. Arrange for routine maintenance and inspections of the bus according to the maintenance schedule;
5. Check water, gas, and oil levels and mechanical conditions (including brakes) of the bus before departure;
6. Complete a daily written log detailing the group being transported, destination, route taken, number of youth and adults transported, and any incidences or conditions of concern;
7. Assume responsibility for the bus receiving an annual state inspection as well as regular maintenance procedures.

Minimum qualifications:

- A valid Texas CDL Class B license with school bus and passenger endorsements. Texas School Bus Driver Training Course (available as part of training)
- 2 years of experience driving a bus
- No record of DWI and acceptable driving record according to the Texas Department of Public Safety standards
- Current required licenses, certificates and medical certifications for drivers
- Excellent written and verbal communication skills.
- CPR and First Aid Certification (available as part of training).
- Completion of a sexual misconduct prevention course (available as part of training).
- Background check required.
- Ability to work a combination of weekdays and weekends as well as occasional evenings.
- 22 years of age
- Commitment

Preferred qualifications

- Demonstrated experience working with groups of children, adults, and families.

Work Environment and Physical Demands

- May be required to work evenings and weekends
- Flexible hours
