

Before booking RhythmAddict, please review the following Rules. Your agreement, and compliance, are required along with a deposit/payment to secure RhythmAddict for your next event. If others are helping with the decorating/set up/planning and will be affected by any of the rules, we highly recommend you forward this to them.

- By renting RhythmAddict Dance Center for your event, you hereby waive, release and discharge RhythmAddict Dance Center, its owner and staff, of any/all claims of personal injury or property damage that may occur inside the studio or on the premises. We are not responsible or liable for any accidents, injuries or illness that occur while on the property. We are not responsible for the loss of personal belongings or valuables during your stay. We cannot be responsible for any items left behind.
- The timeframe you book includes SETUP and TEARDOWN times. Plan accordingly for the arrival of vendors and helpers for setting up. Tables (unfolded) & chairs (stacked on tables) are provided for your rental. It is your responsibility to arrange said tables & unfold chairs in whatever configuration you like for your event. If you're unsure how much time you'll need, we recommend 2 hours for set up and 1 hour for teardown/clean up.
- Guests must remove any items they bring into the space by the end of the booking. Please factor this in your booking hours. (If you have any balloons, you are responsible for popping them and cleaning up - fully inflated balloons cannot be disposed of in the dumpster)
- If you need to stay past your scheduled check-out time, overtime, if available, is charged at 1.5x the hourly rate.
- Guests are expected to leave the space in the same condition as they found it in. Guests must respect the space and we ask/appreciate that guests tidy up after themselves. General cleaning is included in the rental price, but leaving an excessive mess behind will result in the Event Rental Deposit not being returned.
- No smoking or vaping allowed inside or within 20 feet of doors.
- If renting Ballroom A, all food & drinks are to be set up within the tiled lobby (no coolers on dance floor). If renting Ballroom C, food & drinks are set up inside the room.
- No cooking of food inside or outside premises. If you'll be using hot plates, crockpots, water kettles, etc., during your rental, you are required to bring and use a surge protector for those items.
- No sale of alcohol during any event (open bar fine, no cash bar). If serving hard alcohol plan to have drinks pre-mixed in self-serve containers or hire a bartender & security guard for your event. No open bottles of booze for self-serve. Beers/seltzers etc. in a cooler is acceptable.
- No raves or underage drinking.
- No foreign substances allowed on our dance floor. Absolutely no confetti or glitter - this includes inside the balloons - sprays, etc. You will not get your Event Rental Deposit back if any confetti/glitter/spray is found.
- Mirrors are fully draped and are not to be touched at any time for safety & liability reasons. If any handprints are found on the mirrors, your Event Rental Deposit will not be returned.
- No animals allowed.
- Air conditioning is provided for your comfort during your event. Except for active loading and unloading, doors are to remain closed at all times. Any abuse of the A/C system -

lowering the temperature without permission, keeping doors open for an excessive amount of time during the event - will result in your Event Rental Deposit not being returned.

- Food & drinks may be consumed inside the ballroom, we just ask that any spills are addressed immediately. Leaving a spill that could damage our dance floors for our regular classes can result in the loss of the Event Rental Deposit.
- No nails, screws, staples or penetrating items should be used on our walls, floors, mirrors or curtains. Any tape or gummed backing materials must be properly removed.
- Any damages (tables, chairs, walls, restroom, dance floor, mirrors, etc.) and any property missing will be taken from the Event Rental Deposit. If planning to bring excessively heavy food items, be prepared to bring your own table for the item or understand there will be a charge for damage to our tables.
- No sitting or standing on tables. No standing on chairs. (We have a ladder you can borrow)
- We have a kitchen sink you can use for filling chaffing dishes – no washing of dishes and no food is allowed down the drain.
- Sound system is included for baby showers or other events where only low volume background music is played. For any events requiring loud music, you must bring your own system or hire a DJ.

We are looking forward to having you!
