

What is S.W.A.P.?

The Travis County Sheriff's Weekender Alternative Program reduces jail overcrowding by providing an alternative to incarceration. S.W.A.P. affords the offender the opportunity to fulfill their obligation to society by working their jail sentence off, while maintaining their employment or enrollment in higher education school.

S.W.A.P. provides free manual labor to municipalities, government agencies and not-for-profit organizations. Simultaneously, offenders have the ability to learn transferable work skills and gain experience in manual labor.

S.W.A.P. is a day for day program. As an example, if an individual is sentenced to 30 days, the individual will work 30 days of S.W.A.P. Participants are required to work a minimum of two days per week, consecutively, until the jail sentence is complete. Reporting times and scheduled days will vary by location.

How can I register for S.W.A.P.?

Judges can sentence non-violent offenders to S.W.A.P.

Offenders sentenced to S.W.A.P. must call at least two weeks prior to their scheduled report date to schedule their processing and orientation appointment.

Once an appointment has been scheduled, you report, on that day and time, to:

Travis County Correctional Complex
3614 Bill Price Rd., Bldg #250
Del Valle, TX 78617

Bring a valid government issued photo ID to your processing appointment.

During your processing appointment, you will be given the specific date, time and location, where you have been assigned to report to serve your S.W.A.P. sentence.

Participants will be advised of and receive a copy of all rules and regulations at their processing appointment.
