

Dear Potential Sponsor,

Each year as youth board members we must fight an uphill battle in attempting to obtain enough businesses to sponsor teams in the league. We would like to ask for your help as a possible sponsor of one of the many youth league teams or help defray costs of other expenses that our park needs to operate.

Your fee helps defray the expenses of operating our program. Many individuals volunteer thousands of hours throughout the year to help make our program one of the most successful in Indiana. We still must pay, however, for uniforms, equipment, insurance, and other operating costs. Player registration fees and profits from our annual fund-raisers are other sources of support. As you can imagine, this effort not only involves a lot of time, but a lot of money to make all of this happen and enable our organization to offer the best baseball experience we can for all of our children. We need your help! This year we need to purchase an ATV to help with maintenance of our fields. We need new scoreboards, one was donated last year by Chick-Fil-A. We would like to get new fencing around our park. We need a new backstop and fencing for our Pee Wee field. A lot of things we have on our wish list those are just a few.

The Southside Little League is a recognized 501(c)(3) not-for-profit organization that needs your continued support. Boys and girls from ages 4 through 16 compete in baseball and softball and this year we are expecting to field approximately 30 teams made up of over 200 boys and girls from our community.

Enclosed, for your convenience, is a self-addressed stamped return envelope for you to remit your sponsorship fee. Please make your check payable to "Southside Little League, Inc."

On behalf of the boys and girls of Southside, we, The Board of Directors, thank you for your continued support of our program. Our success depends greatly upon your loyal support.

Sincerely,

Southside Board of Directors

Southside Little League
