

# PRE-OWNED BIKE PROGRAM

Trade in Your Bike or Buy a Certified Pre-Owned Bike

## TRADE-INS

We'll take your bike and give you store credit for the value of the bike.

Here's how it works.

- We do a 40 point Inspection by trained staff to assess the value of your bike.
- Your appraisal takes 30 minutes-one hour.
- Once we have established your value, you have seven days to accept the offer. After seven days, the bike must be re-appraised.
- If you accept the offer, you will be given a store credit for the amount of the value of your trade-in.
- A photo I.D., phone number, and email address will be required to begin the appraisal process.
- Evaluation is based on age of bike, condition, amount of service needed, and market trends.
- 10 year age limit on most bikes.
- 5 year age limit on full suspension bikes
- We accept bikes that are in good operating condition—no broken bikes.
- We accept bikes purchased from bike shops. No department store or big box bikes.
- We cannot accept bikes with structural issues.

## PRE-OWNED BIKES FOR SALE

We sell pre-owned bikes that meet our standards of quality and condition.

Here's what comes with your pre-owned bike purchase:

- 100% Satisfaction Guarantee.
- 10% off service labor for life of the bike.
- 15% off accessories at the time of purchase.
- 2 year service program: \$100 for 2 Tune-ups for 2 yrs.
