Greetings UMAP Schools and Members,

We know that 2020 has been a year of unexpected change, filled with new protocols, procedures and more as you embark on a new school year, but one constant is our commitment to you and early childhood education. We are excited to announce that our Annual Conference is going VIRTUAL! We will continue to offer the exceptional speakers, training sessions, and spiritual connections you have come to expect from UMAP in a safe and practical way during these unprecedented times.

We hope that you will join us for all or part of our conference this year as we work to stay connected to you in 2021. Please review the attached informational flyer regarding our ***WALK IN THE WAY OF THE LORD VIRTUAL ANNUAL CONFERENCE*** and sign up today to join us!

Please know that each of you are in our prayers as you navigate the new school year, budgeting shortfalls, protocols and more while in the midst of a pandemic. We chose our theme this year as a reminder that God is walking ***with*** you through it all. Let us walk in the way of the Lord together to a brighter, healthier, and safer 2021.

Walking with you,

*Dr. Mercy Nyman*
