

Dear Friend,

Doug and I are so excited to co-chair our 9th Annual Cover 3 Invitational Golf Tournament on Thursday, October 25th at Avery Ranch Golf Club. The tournament benefits Partnerships for Children (PFC). PFC is a private, non-profit organization that's centered around helping the abused and neglected children in the care of Child Protective Services in the Austin area. We'd love for you to help these children by donating an auction item for our silent auction at the Player Pre Party the night before the tournament or the live auction during the awards dinner.

Your generous donation will help back the fundraising endeavors for these special children in the Austin area. Last year, the tournament helped raise \$75,000. In fact, since 2010, this golf tournament has raised nearly \$400,000 for PFC. The funds that you have helped raise will go towards PFC's major programs. These programs include:

- **The Rainbow Room:** A 24/7 resource center where caseworkers can pick up necessary supplies for children going through exceedingly rough times. There are toiletries, clothing, toys, school supplies, beds, car seats, etc. that can be taken at any time to help these children. Any type of donation can greatly benefit a child in need.
- **Holiday Wishes:** Not every child is fortunate enough to know the joys of the holidays. This program grants a neglected child three 'wishes' (gifts). With your donation, we are able to give these children the presents that they long for and a holiday season that they will never forget.
- **Yes Mentoring:** Unfortunately, not every child gets adopted. This program gives young adults who were in the foster program until they were of legal age an opportunity to gain insights and important tools needed for the real world. Some of these tools include financial literacy, cooking on a budget, filing tax returns, etc.
- **The Heart Gallery:** An initiative to bring awareness to all of the children in Central Texas area in search of a forever family. This amazing program takes photographs of the children and displays them around the Central Texas region. Last year, over 60 children featured in the Heart Gallery were adopted.

We truly appreciate your help to make a difference in the lives of children who are going through an extremely traumatic time. Your donation would be used in our silent or live auction where all of the money raised will go toward the PFC programs. Please complete the enclosed Auction Donation Form. The entire Cover 3 team, Partnerships for Children, and all of the deserving children that you will be supporting are deeply touched by your donation and will cherish your support.

Sincerely,

Doug & Katie Young, Co-Chairs 2018
