

ALCOPharmacy

WebConnect

How much do you know about WebConnect? Alco Pharmacy already has a secure web-based pharmacy software portal where you can print patient forms (like PMOF and MAR), request refills, and check on delivery status. Save time and get fast answers using any device with WebConnect.

Contact Lincoln Pitts (ljpitts@alcopharmacy.com) to set up a training today!

Alco X Zoom

Alco Pharmacy joined forces with Zoom to use the most secure, HIPAA-compliant video conference software to host trainings, business meetings, or discussions about pharmacy services. While we aren't able to "pop in" to see you, schedule your next Alco meeting with Lincoln Pitts (ljpitts@alcopharmacy.com) and stay connected with the pharmacy.

Summer is coming!

Summer begins on Saturday June 20 at 5:43 p.m. Warmer weather usually means more time in the sun. UV Safety Month is celebrated in July. August is Summer Sun Safety Month.

Check your clients' supply of sunscreen, and let your Account Manager know if you need more from Alco Pharmacy.
