Dasher 4

K0800

The Dasher 4 scooter is designed for the user on the go. It has a 300 lb.* weight capacity and has a quick-disconnect system for effortless disassembly. The unit disassembles into three parts, the heaviest weighing just 26 lb. The Dasher 4 maneuvers with ease and has an adjustable tiller for added comfort during operation. The Dasher 4 also comes standard with solid tires for a smoother ride and swivel seating system.
