

Hero

The Hero scooter has a light weight frame designed for the user on the go. The scooter disassembles into three main parts for portability and storage; with the heaviest part weighing just 40 lb. It has a height adjustable seat, allowing for improved comfort during driving operation. The Hero also comes standard with a quick connect battery pack, solid tires and a basket to store personal items.

- + 250lb Weight Capacity
- + Keyed Ignition Security
