

Smartie

Model Number: UL8W

Medicare Billing Code: K0821 & E2397 (Lithium Battery)

The Smartie is a portable and light weight power chair designed for the user on the go. The unit has a quick-disconnect system for effortless disassembly, advanced electronics and high efficiency in-line motors. The Smartie disassembles effortlessly into three pieces, with the heaviest weighing just 29 lbs. The Smartie is also equipped with our Envirofriendly battery system, design to have a longer life span over conventional SLA batteries.

- + 250lb weight capacity
- + Wireless take-a-part technology
- + Adjustable seat height

- + Easy to dismantle into three parts
- + Envirofriendly battery system

Available Colors:

Burgundy

Blue
