

Sprinter XL4

The Sprinter XL4 is a heavy duty four-wheel scooter with a 350 lb. weight capacity. The unit comes standard with a deluxe captain's seat that can accommodate most users. It has an adjustable tiller for added user comfort and a front head light for added convenience for evening operation. It is available optionally with a full lighting package adding turn indicators and hazard lights. The 12in. solid wheels give the unit a 3in. ground clearance for operation on multiple terrains.
