## PARTICIPANT INFORMATION

### CHECK IN & CHECK OUT

**DATE/TIME:** Tuesday, June 25 3:00 pm - 5:00 pm

**LOCATION:** Welcome Center

**105 DeLong Road  
Nauvoo, AL 35578**

When you arrive to camp, continue on DeLong Road for about a mile. The Camp Store will be the first building on your left. The store will be open if you want to stop in! When you pass the store, stay to the left. You will then arrive at the two-story welcome center on your left where our staff will greet you at 3pm to check in and get your cabin assignment.

Please know that while the camp store opens at 2pm, we cannot allow for any camper check-in prior to 3pm. If the arrival time does not work for your schedule, we ask that you please coordinate rides with another family who is planning to attend.

After you check in, you will drop off meds at the Health Hut and move into your cabin. After camper guardians leave, campers will go to the pool for swim test and we will have arts and crafts activities available.

**CHECK OUT DATE/TIME:** We will have a closing worship service with Eucharist **Monday morning July 1** at 9:00am. Camper family members and guardians are invited to attend. The session ends at 10:00 am.

- **Snacks ARE allowed, but MUST BE IN AIRTIGHT CONTAINERS and they CANNOT CONTAIN ANY NUTS or NUT PRODUCTS.** Many of our campers have nut allergies. Crumbs will attract insects in our cabins. Thank you in advance for keeping our campers with allergies safe and the cabins as bug-free as possible!

## PREPARE YOUR CAMPER

Please **prepare your young children for coming to camp emotionally.** Talk with them about how much fun it will be, what the schedule is like,, and let them know that they will also likely miss home a little. It is normal to miss home and also have fun at camp! Homesickness is normal and the best way to get through it is to stay busy by participating in everything at camp and to spend time with new friends (not alone). Let campers know they can write letters home, but they will not be able to use a telephone unless it is a true emergency. Parents: if you think homesickness could be an issue for your camper, you are WELCOME to contact the camp any time to check on how your child is doing. Send upbeat, encouraging letters and/or packages from home to help your child stay connected to you while at Camp.

## INFORM & EQUIP OUR STAFF

Please help our excellent staff take excellent care of your child by INFORMING us of any special needs or issues (on their on-line Camper Profile page, Health/Medical page, or by emailing wonderful@campmcdowell.com). In addition, if your child takes medication at home for any reason, please **do not discontinue** while at camp. Keep them on the same routines so that the adjustment to

# CAMP MCDOWELL JUNIOR HIGH I CAMP 2019

camp life is not compounded by an adjustment to a change in their medication that may impact the way that they feel, think, or react to their surroundings.

## MAIL AND CARE PACKAGES

### When are mail and care packages delivered to campers?

Care packages and mail are delivered to campers daily except for the first and last days of each camp session. Care packages are not delivered during the sessions of Primary I & II since campers attend with a big camper.

### How do I get my mail or package to my camper?

You can either mail your package to camp, OR drop your package off at The Camp Store after you've dropped your camper off.

Either way, labeling is everything! Make sure you write legibly and include your camper's full name, the camp session, and on which day you'd like it delivered. Mail should be sent to:

**Camp McDowell - Summer Camp**  
**[session name & cabin name]**  
**[camper full name]**  
**105 DeLong Road**  
**Nauvoo AL 35578**

### How many care packages should I send?

We prefer and recommend sending only one care package per session per camper with the exception of birthdays (which might call for a little extra something).

### Will you put together a care package for my camper for me?

Yes! Camp Staff will put together any care packages made up of items from The Camp Store. You can do this in two ways:

- **Online:** Purchasing your care packages before your camper's session begins helps staff out a lot! We can have your package(s) put together, labeled, and ready to go before your camper even arrives. To encourage pre-purchases of care packages online, **we are giving everyone 10% off** of everything in the online Camp Store that's bought for care packages. **Use promo code, "SUMMERCAMP2019" at check out** and specify in the notes section during checkout the name of your camper, and which session your camper is attending, and which items are to be delivered on which day. We will make sure it gets to them!
- **In Person:** After you drop your camper off at camp, stop by The Camp Store and we will help you put together and package up your care packages before you leave.

### Do all campers receive care packages?

Sending care packages and mail is voluntary. Some campers might receive a care package or piece of mail daily, while other campers may not receive any.

### Can I send care packages to a camper other than my own child?

Yes. The distribution of care packages works like typical mail. Packages and mail can be sent to whomever you choose. We welcome care packages addressed to "For a Scholarship Camper." *Note: Camp McDowell is open to ALL campers. Some campers attend with partial or full scholarships due to their family's financial situation. Any care packages addressed to "For a Scholarship Camper" will be distributed to scholarship campers who have not received a care package by the last day of their session's mail distribution. If you would like to give towards the Summer Camp Scholarship Fund, [click here](#). (Make sure you select "Summer Camp Scholarship Fund" from the drop down menu.)*

### Is there anything I should NOT include in a care package?

Contents of care packages should stay within the scope of the camper packing list. **Please especially do not include food or candy containing NUTS or peanut butter**
