***Join Psychic Medium Lisa Bousson and your loving ancestors at
UpDog Rochester for A Spirit Gallery Event!***

Join internationally-known Psychic Medium, Lisa Bousson, as she enlightens and inspires, bringing through evidence of your ancestor's survival. Open your mind to the possibility of an afterlife and receive evidential proof that your spirit loved ones do, indeed, live on and that communication with them is still possible.

A public Spirit Gallery is a great way to watch a live mediumship demonstration where there are sure to be great memories, tears, aha's, and even some laughter. Your loved ones want to talk to you as much as you want to talk to them!

Lisa is a noted psychic medium who has been working in this area for over 30 years and demonstrates for audiences all over the country. She has been successful in gathering details and connecting with people who have passed away confirming they are thriving in the Spiritual dimension while watching over their loved ones here on Earth.
