Join Psychic Medium Lisa Bousson at UpDog as she provides evidential proof of your loved one's continued involvement in your life. "Love never dies" is the truth - and your loved ones and ancestors in spirit can't wait for you to communicate with them! The messages from spirit may be filled with love, hope, sharing, memories, healing and often humor. Experience it for yourself!

Lisa is a noted psychic medium who has been working in this area for almost 30 years and demonstrates for audiences all over the country. She has been successful in gathering details and connecting with people who have passed away confirming they are thriving in the Spiritual dimension while watching over their loved ones here on Earth.

A Spirit Gallery is a compassionate event allowing healing and to know our precious loved ones remain connected to us. It is comforting to know that we will have the opportunity to be with people we love again in spirit.
