CLASS DESCRIPTIONS

Basic Yoga introduces basic Yoga postures, breath and concentration techniques. Students are encouraged to work within their own unique ability and limitations. Beginners and all levels welcome.

Basic Backs is designed to create and maintain a healthy spine through balance. Emphasis is on the physical, emotional and energetic characteristics that directly influence the core region of the body (back and stomach). Attention will be directed to individual needs. Beginners and all levels welcome.

Chair Yoga is a modified, gentle form of Yoga practiced sitting on a chair, or standing using a chair for support. It is one of the gentlest forms of Yoga as it invites you to find mobility in a way that is soft and gentle, but also supportive and beneficial. Beginners and all levels welcome.

Yin Yoga is a soft, slow moving practice that focuses on deeper, longer stretching of tissues and joints and holding of postures to help open the lower back, hips and sacrum. This guided flowing class is primarily seated on the floor and helps open and heal sciatica, lower back, hip muscles and joints. Beginners and all levels welcome.

Gentle Yoga/Gentle Yin is for beginners wanting to start more gently, for people working with a health condition, and for anyone seeking to balance their busy lives with a more relaxed, therapeutic approach. Gently stretch and strengthen the body, connect with breath, and calm the mind. Attention will be directed to individual needs.

Rise & Shine Yoga is a Basic Yoga class offered in the early morning to stimulate and lengthen the spine and get us moving to start our day. We begin with Sun Salutations, stretching and a light flow combined with breathing technique and some meditation. Beginners and all levels welcome.

Guided Meditation a casual guided meditation using a variety of simple, mindfulness meditation techniques which vary weekly. No meditation experience necessary.

Intro to Yoga Series a multi-week series of classes designed specifically to introduce new students to the benefits and practice of Yoga. Each session builds on the prior week's lesson to create a sense of confidence and self-reliance. Offered quarterly. Perfect for beginners! (see in-studio flyers and website for details)

Slow Flow classes build on the foundation established in Basic classes by linking postures and breath into a more vigorous, moving flow. Sun salutations, backbends and inversions are explored. Vinyasa-style but in a cooler environment for beginners looking to explore and expand their practice beyond Basic.

Hot Vinyasa Yoga combines breath and movement into a vigorous, challenging flow. For anyone looking to sweat, move to the music, and kick their asana up a notch or two, this class is for you. Room heated to approx. 90+ degrees (intermediate to advanced levels recommended).

Slow Burn Yoga blends stretching and strengthening while holding a pose for greater body awareness. A SLOW build, flowing with breath and engaging the core through mindful movements, will make you sweat while eliciting a state of deep relaxation. For those looking for a challenge to sink deeper into your practice and feel the *BURN!* (intermediate levels recommended).

Buti Yoga a soulful blend of Power Yoga, cardio-intensive Tribal Dance, conditioning and deep abdominal toning (intermediate levels recommended).

Ashtanga Yoga short-form version of a traditional series of postures linked together to create a powerful, vigorous flow. The practice combines breath, energy locks, focus and a flow of postures to create a moving meditation (intermediate levels recommended).

Friday Fusion is a unique Fusion Class that combines postures and techniques of Yoga, Pilates and Barre in a relaxed atmosphere. Add some FUN to your Fridays and expand your horizons. All levels welcome, come play!

Kid's Yoga is designed especially for kids (ages 5 and up). We'll workshop with the kids in Yoga poses, mindful breathing, play yoga-themed games and quiet meditation. Parents can attend the regular adult classes in the big practice room at the same time on Saturdays, so the whole family gets their Yoga!

Workshops are offered on a monthly basis typically on Fridays and Saturdays to help students expand their practice, gain insight into new techniques, and fine-tune their understanding of Yoga or other metaphysical, spiritual and health-related topics. Workshops are in addition to the regular class schedule and are additional cost (see in-studio flyers and website for details)

FREQUENTLY ASKED QUESTIONS

What is Yoga? Yoga is an ancient system of guidelines for ethical discipline, physical health, breathing, concentration and meditation. The word "Yoga" comes from the Sanskrit word "yug," or "union."

Which Classes Should I Take? If you're new to Yoga, start with Basic, Basic Backs, Gentle Yoga, Gentle Yin, Yin, Chair Yoga, Rise & Shine, Yoga With Props, Guided Meditation and Intro to Yoga Series. Explore Slow Flow, VinYin, Ashtanga, Buti and Vinyasa classes after you build an awareness of breath, postures and alignment.

How Often Should I Practice? Ideally 3 times per week to notice a difference in your body. Experienced yogis practice every day.

What Should I Wear? Lightweight "workout clothes" with wicking fibers are best. Avoid wearing jewelry.

Why Shouldn't I Eat Before Practice? Food interferes with the body's ability to cleanse and detoxify; avoid meals at least 1 hr. prior

What If I'm Pregnant? Inform the instructor when you arrive for class; check with your physician before beginning a physical routine.

What Can Yoga Do For Me? Yoga has been proven to reduce stress, increase mental acuity, improve circulation, slim and tone the body and increase energy. Yoga helps us connect to our body and breath to foster balance of Mind, Body & Spirit.
