Kelsey and Marjorie are combining their talents in this relaxing and fun workshop that will awaken the Goddess that is already inside of you.

Gather up your friends and join us for a spiritual Ladies Night Out. Nurture and pamper yourself and embrace the Goddess within you as we join in circle to awaken our Divine Feminine power. In this workshop you will create your own Soul Collage card with a reading afterward to gain insight into what your card means for you. Individual Oracle card readings will be given during the evening. The night will end with a guided meditation with Reiki healing and light massage with essential oils.

Kelsey Zienkewicz is a certified Yoga instructor and Reiki Healer, Card Reader, Soul Collage facilitator and has also created her own line of jewelry and essential oil products. An assortment of her Earth Gypsy line of products will be available for purchase at the workshop.

Marjorie Lacovic is an Intuitive, Card Reader and certified Reiki Healer.
