

Healing Sound Frequency Meditation

Attend In-Person, In-Studio Or Online via Facebook Live

with Vibroacoustic Sound Healer, Yvonne Clark

Friday, January 22

7:30PM-9:00PM

\$25 per person IN-PERSON, IN-STUDIO (\$30 door)

\$20 per person ONLINE via Facebook Live

Join Yvonne in this yogic experience of pranayama (breathwork) while simultaneously moving energy through each chakra energy center through use of quartz crystal healing bowls tuned specifically to the "heartbeat of the Earth" at 8 Hz. Be prepared for an amazing sound bath! – guiding you safely into the deep layers of the brain frequencies and psyche.

This therapeutic workshop will impact your physical, energetic, and emotional body and mind through powerful, healing sound frequency and vibration:

- Learn the science behind sound healing and its' benefits
- Participate in meditation focused on healing the deep layers of stress by taking the brain into the meditative frequencies of gamma, alpha, beta, theta and delta where even your cells heal, transform, and rebuild!
- Release from repetitive cycles, illness, alleviate pain, restore balance and maintain a healthy life practice

Yoga instructors can earn Yoga Alliance Continuing Education Credits by attending this workshop.

Pre-register online: <https://www.updogyoga.com/workshops/rochester-workshops>
