

# ASHTANGA YOGA EXPLAINED

*Part 2: Seated Series Workshop with Samantha Piro*

**Saturday, April 1**

**1:30PM-3:30PM**

**\$25 per person (\$30 door)**

Ashtanga is a style of Yoga developed in the 20th century which originated from a system of Hatha Yoga described in the ancient text, the *Yoga Korunta*. Ashtanga centers on a vigorous physical practice that includes a series of poses linked together with breath to form a continuous sequence. This noble practice is the foundation of many styles of modern Yoga practiced today – a dynamic form of Hatha Yoga with a fixed order of postures, while also rooted in Vinyasa Yoga and its flowing movements and focus on energy and breath.

In this **Part 2 Ashtanga Seated Series Workshop**, Samantha overviews roots of the Ashtanga heritage to modern Yoga explaining the differences between Ashtanga and Ashtanga Mysore and the various series of the practice including Primary and Short Form. She will perform the Ashtanga opening/closing chants in Sanskrit, a short Sun Salutations A & B warm-up and then focus primarily on the seated postures portion of the Ashtanga Primary Series, breaking down how to do each pose and variations. Modifications for each pose will be included *making Ashtanga accessible for everyone!*

You will learn:

- Ujjayi Pranayama breathing technique
- Detailed breakdown of Ashtanga seated postures with binds, variations and proper alignment
- Modifications for poses

Because Ashtanga provides specific and structured movements using breath awareness, you're able to clearly see your improvements and progress over time as you build physical strength, flexibility, balance and stamina. Ashtanga primary sequences start with the kinds of movements and poses that are suited for beginners, while progressing to advanced standing and seated postures with series of locks and binds to continually grow your practice for even the most advanced of yogis.

Note: Part 1 Ashtanga Standing Series complement to this Part 2 Seated Series workshop is also being offered on March 11, however, it is not necessary to attend Part 1 in order to attend Part 2 – everyone is welcome to either/both.

**Yoga instructors: Earn Yoga Alliance Continuing Education Credits by attending this workshop**
