

## **The Don Davet Memorial Scholarship Award**

This scholarship fund was created in memory of Donald M. Davet. Don lived locally in Cornwall-on-Hudson with his wife and two beautiful daughters. Don received his Bachelor's Degree in Science from Ohio State University. Don worked as a Marketing Manager with Nestle Waters North American Division. He was a Peace Corps volunteer in Paraguay for three years and lived in South America with his wife.

Don was an active member of the community coaching his daughter's CCD basketball team and was an integral part of their academic endeavors. Don instilled in his daughters important qualities in life including the value of hard work, respect and integrity.

Don joined CrossFit New Windsor in May of 2013. Don was a fierce athlete that enjoyed competing against his friends and always had a kind word to say to everyone he met. Don left us with a life motto that now has become a part of our gyms philosophy- "Life is a Zero Sum Game: go get more!"

In establishing this scholarship, Don's family wish to recognize the dedication and importance to continued education and community service of a deserving hard working student.
