

INDEPENDENT ACCOUNTANT'S REPORT

To the Management of Codesmith, LLC

We have examined the management of Codesmith, LLC's ("Codesmith") assertion that the accompanying schedule of Codesmith's data (East Coast Remote Immersive campus) as related to the accompanying schedule Student Organization and Post-Graduation Employment Outcomes for the period between July 1, 2021, and December 31, 2021, is accurate and complete. Codesmith, LLC's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertion based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertion. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

- 1) Inquiries of Codesmith's Management about the existence of any changes which could modify the understanding made last reporting period (July 1, 2021 - December 31, 2021) regarding the Program itself and Student Graduation and Post-Graduation Employment outcomes.
- 2) Obtaining student and course-related data (Enrollment in cohorts based on the Published Course Length, graduation dates, rates, and post-graduation employment outcomes).
- 3) Examination and analysis of the aforementioned data through various means including but not limited to:
 - a) Testing reported numbers and other data types for reasonableness.
 - b) Ensuring that reported figures on spreadsheets used to build the CIRR report conform to books and Financial Statements which were subject to a CPA review. For example, matching the number of students reported on CIRR-related spreadsheets to the number of students derived from tuition earned on books (split by cohort number) through which the completeness and existence assertions are satisfied.
 - c) Verifying that the number of graduates included in the report relate to the reporting period (July 1, 2021 - December 31, 2021).
 - d) Verifying the number of graduates who reported salary and employer information.

- e) Direct request of confirmation from Graduates regarding Employment outcomes and observation of LinkedIn profiles (the population was divided based on reported Salary quartiles, parameters were linked to stats which make up the report and students with salaries falling in a range determined to significantly affect stats whether directly or indirectly were included in sample).
- f) Calculation of the rate of graduates who completed the Course within 100% or 150% of the published course length of 93 days.
- g) Calculating Employment rates based on the number of students who accepted offers of employment within 90 and 180 days of graduation.
- h) Verifying student employment classification with respect to category and salary range.

In our opinion, management's assertion that the accompanying schedule of Codesmith's data (East Coast Remote Immersive campus) as related to the accompanying schedule of Student Organization and Post-Graduation Employment Outcomes for the period between July 1, 2021, and December 31, 2021, is accurate and complete is fairly stated, in all material respects.
