The Kutztown University Women's Lacrosse Prospect Clinic is a one-day event this winter. This clinic is designed to give prospective-student athletes (grades 9-12) who are interested in attending Kutztown University an opportunity to train with the KU coaching staff and get a sense for life as a KU student athlete. This clinic will include a tour of athletic facilities, practice session for specific positions focusing on attack, midfield, defense, and goalies, and Q&A session on the recruiting process. During the Q&A session athletes and parents will have the opportunity to speak with the coaching staff and current student-athletes.

What to bring: Stick, mouth guard, goggles, sneakers, pinnie, and water bottle. Goalies must bring their own equipment.
