

Kutztown University

Summer College ID Clinics

Sunday, August 2nd, 2020

Program Summary:

Our College ID Clinic is designed to give prospective-student athletes who are interested in attending Kutztown University an opportunity to train with the KU coaching staff. The first session of the day will introduce you to some of the technical and tactical training sessions used by the nationally ranked KU women's soccer team. After lunch players will be split into teams for a series of small sided games/tactical training sessions followed by an in-depth discussion and Q&A session on the college recruiting process (optional). During this session players and parents will have the opportunity to speak with members of the coaching staff, and current players, about the recruiting process and life as a student-athlete.
