

Rebound Quicker and Perform Better Longer

Wellness & Fitness Products to Help You Reach Peak Performance

Naturally Healing Patented Touri-On Technology

Our patented innovative Touri-on technology is designed with the natural wellness properties of Tourmaline.

We believe, by strengthening and improving lymphatic flow through naturally occurring minerals, our products can help improve :

- **Muscle Fatigue and Prevent Soreness**
- **Decrease Swelling and Inflammation**
- **Improve Circulation**
- **Promote Natural Healing**
- **Promote Good Body Balance**

We all want to be able to perform at the highest possible level without worry about recovery challenges. Redbit products were designed with both needs in mind and can't be found anywhere else in the industry.

Touri-on Fabric

- Infused with liquified minerals
- The properties of Tourmaline are everlasting
- Incorporated into all types of sports accessories for your everyday need

Relax and Rejuvenate

Everyday Footwear

Redbit is revolutionizing footwear with the Hop! An everyday shoe that combines an aesthetically pleasing design with the natural healing mineral tourmaline infused in our patented Touri-On technology. The Hop is perfect for everyday use, from running errands, to hours spent sitting at your desk, for working long hours on your feet, to long-haul flights. Our Redbit Hop footwear will help relax your fatigued muscles and help you perform better longer.

- Promotes natural healing
- Improves circulation
- Relieves muscle fatigue

- No batteries or accessories required:
simply slip on your Hops and feel tension
melt away.

- Tourmaline Lining
- Velcro Strap for adjustment
- Nylon and Spandex
material for comfort

- Perfect to carry around in
your gym bag
- Ideal for yoga enthusiasts
- Great for professionals who
stand on their feet all day.
