

Sign Up to join Good Food for All!

Partnership for a Healthier America seeks to transform the food landscape in pursuit of Food Equity, the idea that everyone, everywhere should have access to healthy and sustainable food. We are partnering with organizations in your city to launch Good Food for All, a program that provides nutritious, delicious, good food to families in your area. Learn more at www.goodfoodforall.org. Sign-up and get good food for your family!
