## Ally Sport GP305

Experience freedom with the new luxury full-time foldable Golden Ally Sport™ power wheelchair. In a class all its own, it features a fashion-forward, sleek design that applies robotics technology for power folding and unfolding and ergonomic seating for maximum comfort. High-tech styling includes built-in side and rear lighting for safety. Designed for seamless navigation on diverse surfaces, the 10" omni-directional front wheels with our exclusive self-cleaning V-groove offer more leg and foot room while gliding effortlessly in any direction with a minimal turning radius. It offers a steady and smooth ride, compliments of its large, pneumatic rear drive wheels and dual front suspension system. Take control through our Smart Control Mobile App, allowing you to manage your device remotely for a personalized and convenient experience. With a long-lasting lithium-ion battery and user-friendly interface, travel anywhere with the Ally Sport – your perfect mobility *ally!*
