TIME

IS

TOO SLOW FOR THOSE WHO WAIT,

TOO SWIFT FOR THOSE WHO FEAR,

TOO LONG FOR THOSE WHO GRIEVE,

TOO SHORT FOR THOSE WHO REJOICE;

BUT FOR THOSE WHO LOVE,

TIME

IS

NOT.

– HENRY VAN DYKE

Midnight Cowboy

TIME IS

Time is the great storyteller of our lives - measured not in hours or minutes, but in the moments that stay with us long after they've passed. It is the quiet witness to our becoming, the soft keeper of our memories, the ever-present reminder that nothing is permanent and everything is precious. We spend so much of our days racing it, resisting it, wishing it forward or willing it to slow, only to realize again and again that the most meaningful parts of our story happen in the in-between, the shared glance, the unplanned laughter, the held breath before a truth slips out. This menu is our small tribute to the strange tenderness of time. To the seconds that slip through our fingers, and the ones

that land exactly where we need them. To the nostalgia that creeps in when we remember who we were, and the quiet hope that rises as we imagine who we might become. These drinks are meant for the moments that ask to be savored - the ones that invite you to sit a little deeper into your life, to notice the warmth in the room, to recognize the company you keep as both coincidence and fate. Because for all its stubbornness, time is also generous. It gives us new chances, new seasons, new stories to write. And while we can't hold it still, we can choose how we honor it. So tonight, let this be an offering to the past that shaped you, the present that asks for your attention, and the future that's waiting patiently, just out of sight. Raise your glass to what was, what is, everything still possible with the time we have left, and your time here at Midnight Cowboy. Let us take care of the rest.

Phases of the Moon

1. **New Moon**
   A phase associated with beginnings, intention, and what has not yet taken shape

2. **Waxing Crescent**
   The first return of light, marking growth, momentum, and possibility

3. **First Quarter**
   A period of movement and decision, balanced between progress and uncertainty

4. **Waxing Gibbus**
   Light continues to build as ideas, plans, and efforts develop toward completion

5. **Full Moon**
   The moon at full illumination, linked to clarity, heightened emotion, and revelation

6. **Waning Gibbus**
   A phase of reflection and understanding after moments of intensity or completion

7. **Third Quarter**
   Associated with release, reassessment, and letting go of what is no longer needed

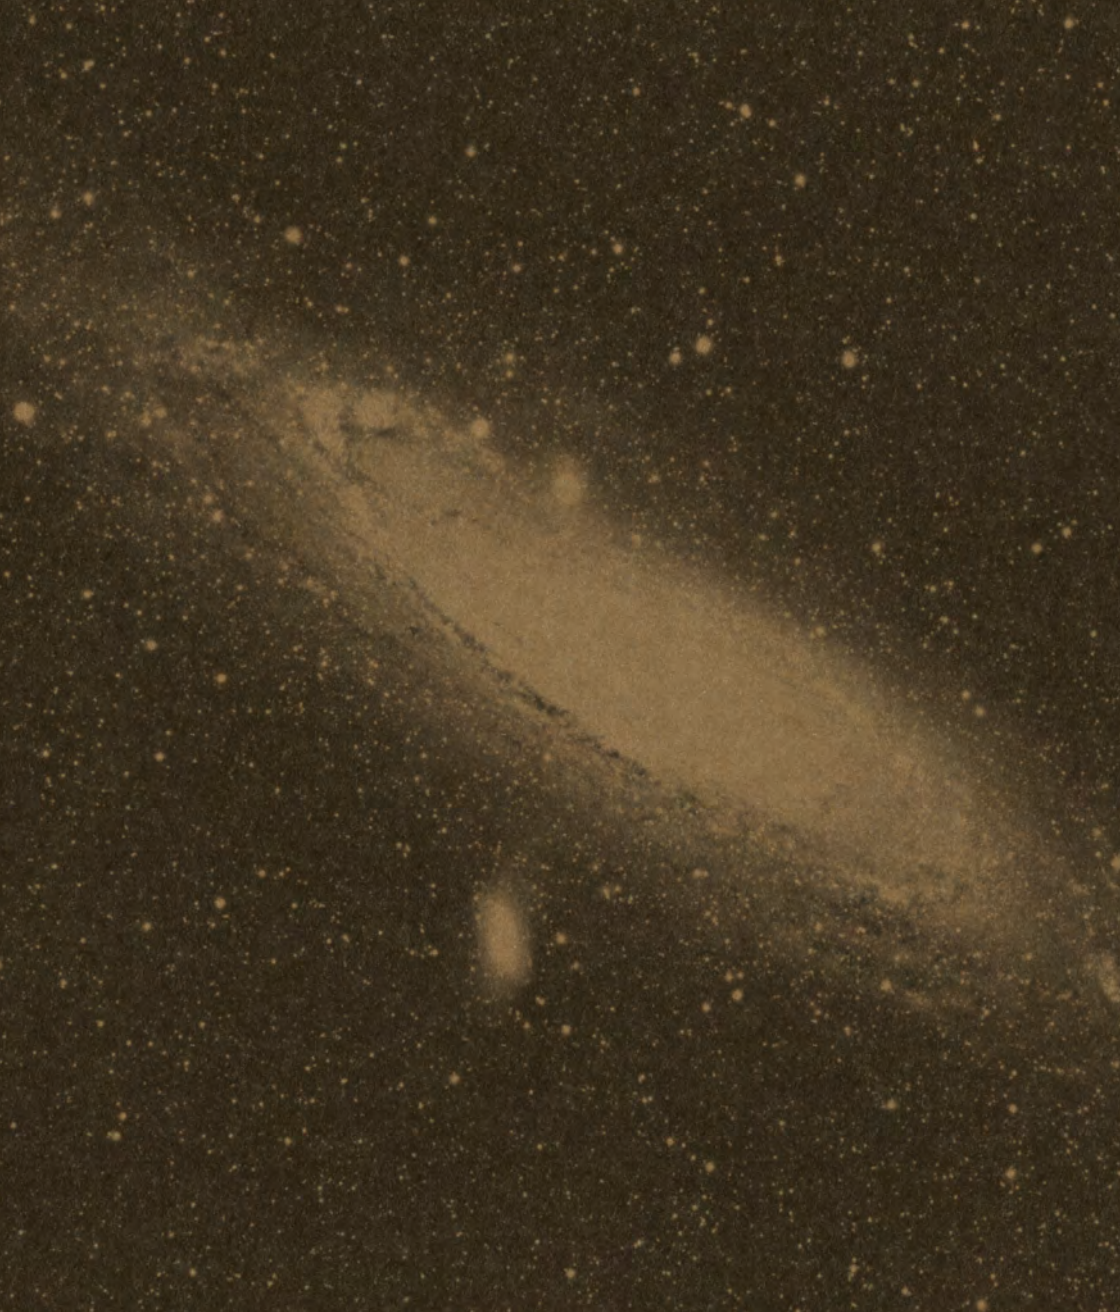

8. **Waning Crescent**
   The final stage before renewal, marked by rest, closure, and preparation

9. **New Moon**
   The cycle begins again: darkness returns, carrying the possibility of renewal and change

WHAT IS THIS LIFE IF,
FULL OF CARE,

WE HAVE NO TIME TO STAND
AND STARE.

NO TIME
TO STAND BENEATH
THE BOUGHS

AND STARE
AS LONG AS SHEEP
OR COWS.

NO TIME TO SEE,
WHEN WOODS WE PASS,

WHERE SQUIRRELS HIDE
THEIR NUTS IN GRASS.

NO TIME
TO SEE, IN BROAD
DAYLIGHT,

STREAMS FULL
OF STARS, LIKE
SKIES AT NIGHT.

NO TIME TO TURN
AT BEAUTY'S GLANCE,

AND WATCH HER FEET,
HOW THEY CAN DANCE.

NO TIME TO
WAIT TILL HER
MOUTH CAN

ENRICH
THAT SMILE HER
EYES BEGAN.

A POOR LIFE THIS IF,
FULL OF CARE,

WE HAVE NO TIME TO STAND
AND STARE.
