WHY CHOOSE RED CARPET?

Red Carpet Pharmacy is built on one philosophy; that our patient's health and well-being are our primary focus. We are committed to delivering the best quality solutions for our patient's health at the best possible cost. We ensure the best solutions through our compound pharmacy, allowing us the ability to create new medications suited for your needs.

OUR SERVICES

MORE THAN JUST A PHARMACY

At Red Carpet Pharmacy we ensure you and your family receive the best possible care. We have a wide range of services offered to all our patients. Including: **Compounding, Free Local Delivery, Medication Synchronization, Medication Part D Counseling, Mobile Application, Travel Health, Health Screenings, Specialty Vitamins, Prescription Cost Review and more**

Customization

Our pharmacy provides customized medications by using the highest quality raw materials, we craft medications specifically designed for your individual health journey.

Innovation

At Red Carpet Pharmacy, we lead the way in modern care. Our expert team is constantly evolving and adapting to ensure we're always providing the best for you and your family.

Collaboration

Let our staff work with you to put you in charge of your health. Our goal is to work directly with you to ensure you are fully aware of the medications you are taking.

HOW TO ORDER COMPOUNDS

3 EASY WAYS TO ORDER QUALITY COMPOUNDED MEDICATIONS

1 ORDERING THROUGH YOUR ELECTRONIC MEDICAL RECORD SYSTEM

LOCATE RED CARPET PHARMACY IN YOUR EMR

Red Carpet Pharmacy will be available in your EMR system as identified below:

Red Carpet Pharmacy

16700 House hahl rd Bldg 6B ,
cypress ,Tx 77433

SELECT DRUG AND PROVIDE DOSING INSTRUCTIONS

Formula Known: Select the closest commercial drug (or any), and in the free text section please note: compound XYZ formula with sig (if known)

Formula Unknown: You may note, "please compound alternative to [drug name] due to... (must list reason for need to adjust formulation such as: allergen/dietary/paraben/filler concerns/ strength of > than 10% etc.)

SELECT DRUG AND PROVIDE DOSING INSTRUCTIONS

- Patient allergies or NKDA must be included for a complete patient
- profile Bill: Patient or Clinic
- Ship to: Patient or Clinic
- Optional: If the patient is unreachable, ship to verified address on RX

2 FAX YOUR COMPLETED RX ORDER FORM

Fax a completed ordering form to (281) 4063000
