Capstone Wins Again at the 2011 Apartment Association of Southeast Texas Awards

Three Capstone Employees Receive Accolades at the Annual Awards Ceremony

Beaumont, Texas - The Apartment Association of Southeast Texas held its annual awards ceremony on December 13, 2011 to honour outstanding apartment industry professionals. The criterion for these awards ensure that each individual recognized exemplifies outstanding property management, and is therefore considered exceptional in the industry. Capstone is proud to announce three team members received awards this year.

The AASET begins the process of choosing winners by sending out nomination forms to its members. Once the association has received back the forms, a nominating committee meets and determines the winners. The committee chooses winners by considering nominees' participation in the AASET, including attendance at board meetings, community service, participation in association activities, and participation in instruction/continuing education.

This year, three valued Capstone employees were able to take home three major awards. Lisa McLemore, District Manager, was given the **President's Choice award**, Brandi Ross was given the **Assistant Manager of the Year** award, and Felicia Sheard was awarded **Leasing Professional of the Year**. Capstone is proud to congratulate these three team members for their hard work and dedication within the field of property management.
