

THIRD AND FOURTH GRADE TEACHERS

EXPERIENCE TEXAS WITH YOUR ENTIRE GRADE LEVEL!

Education in Action invites you to take your classroom back in time! Your young historians will travel with "Lucy the Longhorn" to the Fort Worth Stockyards National Historic District to see the Fort Worth Herd Cattle Drive and a demonstration about the tools, equipment, and techniques used during the cattle drive era. They will discover first-hand how Fort Worth developed its "Cowtown" identity and take on the Cowtown Cattlepen Maze. Then it's off to the Doss Heritage and Culture Center to learn about the pioneer days of Texas. The best part is, we handle the details so you don't have to. Charter bus? Check. Reservations? Check. Fun, meaningful, TEKS-based curriculum for the entire day? Check. Join us on "Trails, Rails, and Cowtown Tales" for a day your students won't soon forget!
