

FOURTH GRADE TEACHERS

EXPERIENCE TEXAS WITH YOUR ENTIRE GRADE LEVEL!

Education in Action invites you and your 4th graders to travel to Austin and San Antonio with "Lucy the Longhorn" to experience what they're learning in social studies! In Austin students explore the Texas State Capitol with a focus on the legislative process. Then it's off to San Antonio where the story of the Texas Revolution comes to life as your young historians tour The Alamo. At the Witte Museum students learn how the people of the lower Pecos region lived long ago through a variety of hands-on activities including rock art, processing lechugilla plant, and using atlatls to "hunt" deer. The best part is, we handle the details so you don't have to. Charter bus? Check. Fun, meaningful, TEKS-based curriculum for the entire day? Check. Travel with us through Texas history on a day your students won't soon forget!
