Education in Action is a 501(c)(3) nonprofit organization dedicated to empowering young people to be informed and active leaders in their communities.

Parents,

Your student's class is taking part in Education in Action's Texas in the Making Discover Texas Field Trip! We will be traveling on charter buses to visit our beautiful **Texas State Capitol** in Austin and **The Alamo** and the **Witte Museum** in San Antonio to *experience* first-hand what the students are learning in social studies. At the Texas State Capitol, we will learn about our state's unique history and Texas leaders, past and present, and see where Texas laws are made. Then, in San Antonio, the story of the Texas Revolution will come to life as we tour the revered Alamo. At the Witte Museum the students will experience how the people of the lower Pecos region lived long ago through a variety of hands-on activities including creating rock art, processing the lechugilla plant, and using atlatls to "hunt" deer.

What's included?

- ★ Tours of the Texas State Capitol and The Alamo
- ★ Round-trip charter bus transportation
- ★ Souvenir t-shirt
- ★ Lunch, dinner, and snack
