

FIFTH GRADE TEACHERS

EXPERIENCE TEXAS WITH YOUR ENTIRE GRADE LEVEL!

Education in Action invites you and your 5th graders to explore the three branches of government with “Elliot the Eagle”, Dallas-style! Students discover how paper money is made at the United States Bureau of Engraving and Printing, learn about the life and legacy of John F. Kennedy at the Sixth Floor Museum at Dealey Plaza, and visit a full-size replica of the White House Oval Office at the George W. Bush Presidential Library and Museum. The best part is, we handle the details so you don't have to. Charter bus? Check. Fun, meaningful, TEKS-based curriculum for the entire day? Check.
