

# Education in Action is bringing field trip fun to our classroom!

Parents,

Your student's class will be going on a virtual travel adventure with me, Maggie the Mammoth, and Education in Action, to tour **Inner Space Cavern, Waco Mammoth National Monument,** and the **Brazos River!** The cost of the program is \$\_\_\_\_\_ per student.

In addition to these virtual tours, your student will receive a box to keep that includes:

- ★ An "I Discovered Texas" t-shirt
- ★ Maggie the Mammoth plushy
- ★ Discover Texas Field Trips bracelet
- ★ Mineral dig activity
- ★ Surprise souvenir
- ★ Water Rocks Bingo to play in class and
- ★ A Virtual Travel Research Journal to document what they learn on their tours!

This program is a great way to experience our state's history, geology, and government without the bus! Please print this flyer, complete the section below, and return it to your student's teacher with your \$\_\_\_\_\_ payment by the deadline.

See ya soon!
