

"Inspiring Tomorrow's Leaders"™

Dallas/Fort Worth

Student Guidelines

Dear Lone Star Leadership Academy Participant,

Congratulations on your selection for the Lone Star Leadership Academy–Dallas/Fort Worth program. Because of your outstanding academic record and demonstrated leadership ability, you will join a delegation of students for a week of fun and learning in the Dallas/Fort Worth area. This exciting week will give you the opportunity to meet other outstanding young leaders, some of whom may become lifelong friends. Most importantly, you will discover your own leadership potential to achieve your greatest goals.

The Lone Star Leadership Academy provides activities for all interests. You will explore answers to questions such as how did the cattle industry impact the development of Fort Worth, what were John F. Kennedy’s greatest accomplishments, and how paper money is made. In addition, you will learn about a variety of careers related to government, history, and the environment as people we meet tell you about their work. All of these activities will develop your leadership skills and enhance your ability to participate as an informed leader in your community.

Your welcome packet includes this student guidelines booklet, a checklist to help you prepare for the program, a copy of your invoice, a news release to send to your local media, a consent form for one of the activities, student drop-off and pick-up instructions, a medication sheet, a statement of Education in Action’s cell phone policy, an optional questionnaire, and two luggage tags with inserts and loops. Please read through the student guidelines carefully and make sure you clearly understand each section. If you have any questions, contact the Education in Action office. **Please put this information in a safe place; a replacement cost of \$5.00 will be required to receive another packet.**

It is a pleasure to welcome you to the Lone Star Leadership Academy–Dallas/Fort Worth program. Our compliments to you on receiving a recommendation and your success in maintaining such a high grade average. Your Superintendent will be notified of your accomplishments and acceptance into this unique program. Education in Action will contact you via email during the week prior to your scheduled program in order to provide last minute details and reminders.

Sincerely,

There are no second chances.** Students who break the rules are sent home immediately at their Parents/Legal Guardian's expense. Education in Action will not reimburse program fees for students sent home for disciplinary reasons. The final farewell program is not the same if all participants are not there to participate.

RELEASE AND AGREEMENT TO PROGRAM RULES

As stated in the student application.

The program participant and Parent/Legal Guardian agree to the following terms:

In consideration of being accepted as a participant in the Lone Star Leadership Academy, the undersigned Student and undersigned Parent/Legal Guardian each hereby release and hold harmless Education in Action and its employees and agents from any liability arising out of my participation in said program, and each further agrees to reimburse Education in Action or its employees and agents for any loss, damage, or costs they may incur during said program and that are caused by my participation. Education in Action shall not be liable or responsible for any injury, loss, damage, or delay resulting from any act or neglect of any person or company whose services are retained by Education in Action for the benefit of program participants, including but not limited to, accommodations, restaurants, or transportation companies. I will conduct myself in a manner that will contribute to a sense of community among all participants and foster an atmosphere of mutual respect. Any student possessing or using drugs or alcohol, violating curfew, leaving the activities of the program, or behaving in any manner inconsistent with Education in Action standards or local, state, or federal statutes will be immediately dismissed from the program. **Education in Action follows a zero tolerance policy; there are no second chances. If a student is dismissed from the program for disciplinary reasons or upon advice of a medical doctor, the student's Parent/Legal Guardian will assume all financial responsibility for returning the student home. PARENT UPDATES

While student phone calls are not scheduled throughout the program, parent updates will be provided online for parents throughout the week. NEWS RELEASE

A news release announcing your participation in the Lone Star Leadership Academy is enclosed in your welcome packet. Sending the news release to your local news media is an excellent way for you to be recognized for your academic record and demonstrated leadership ability that led to your selection. If you choose to send the news release to the local media, we suggest that you send a photo of yourself and include a personal note to let the media know how to contact you directly in the event they wish to arrange an interview.

STUDENT INSURANCE

It is required that students have medical insurance. A student's insurance policy will be considered his/her primary carrier in case of accident or illness during the Lone Star Leadership Academy. Education in Action will assume no financial responsibility for medical treatment of students.

MEDICAL CARE

Because of the Academy's intensity, students should be in good health when they arrive. All prescription medications must be turned in, and students should bring enough required medications to last the entire week. A refrigerator is provided to store medication, if needed. Please notify our office of any medical changes prior to attendance.

EMERGENCIES

In the case of an emergency, Education in Action will contact the student's Parent/Legal Guardian. In the event that the Parent/Legal Guardian is unavailable, Education in Action will contact the emergency contact listed on the student's application. An on-site Education in Action staff member will be available to accept **emergency phone calls only** at all times at 817-501-8042.

STUDENTS WITH SPECIAL NEEDS

Education in Action welcomes students with special physical needs and makes every effort to accommodate them. Please contact Education in Action to discuss specific issues, arrange for special medications, or to discuss any concerns regarding special needs. Please call our office at 817-562-4957 with any specific questions about the physical demands of the program.

ACCOMODATIONS

While in the Dallas/Fort Worth area, students will stay at Education in Action's North Texas Leadership Academy in Keller, about 20 minutes north of Fort Worth. Students are housed in group bunk dorms with their own bed. The air-conditioned dorms get very cold at night and, therefore, students need a heavy blanket or a sleeping bag. There are at least two Education in Action staff members housed in each dorm room.

If pick-up plans change after the student has arrived at camp, please call the Education in Action office so that a message can be given to the student. No additional documentation is required.

PROGRAM MEALS & SNACKS

Breakfast is served at the lodging location and all other meals take place at restaurants. Students are given multiple options for all meals. Students may bring snacks from home, but they must be non-perishable, single-serving snacks in disposable wrappers or containers such as small bags of chips, individually wrapped granola bars, or packets of fruit snacks. If you have questions about a specific snack you would like bring, please contact the Education in Action office to ask. Snacks should be packed in a single gallon-sized food storage bag labeled with the student's name.

LEADERSHIP GROUPS

At orientation, students will be assigned to a Leadership Group. Leadership Groups give students the opportunity to develop friendships with other participants, analyze speakers' remarks, discuss important issues, reflect on program activities, prepare for upcoming events, and form strong relationships with their facilitators. One program facilitator (an educator) will be assigned to each Leadership Group. Facilitators lead Leadership Group meetings, guide students through program activities, and work directly with students to ensure their week in the Dallas/Fort Worth area is a rich and rewarding experience. It is the hope of Education in Action that Leadership Groups provide participants with the knowledge and skills to assume leadership roles in their school classes by sharing their acquired knowledge and experiences with their peers.

LEADERSHIP NOTEBOOK

At registration, each participant will receive a Leadership Notebook containing a detailed program schedule, speakers' biographies, site information, and special interest stories. Leadership Notebooks include materials to enhance the educational value of sites visited and are used to facilitate discussions during individual and group activities. Leadership Notebooks are also designed to be used as a reference in school classes.

SIMULATIONS

Synthesis of learning objectives will be extended through simulations relating to each day's topic. Simulations promote reasoning skills and teach critical thinking by allowing students to ask their own questions. Studies demonstrate that students involved in a hands-on learning environment retain a higher percentage of information than those learning through one methodology, such as rote memorization. The purpose of simulations is to motivate and promote students' abilities to participate as informed citizens in a democratic society.

CAREER SPEAKERS

During the program, students will have the opportunity to learn about a variety of careers related to government, history, and geography, as people they meet tell them about their work. These presenters will discuss education requirements, a typical day, and the pros and cons of their profession. Students will have the opportunity to ask questions and explore future career options.

DRESS CODE FOR THE LONE STAR LEADERSHIP ACADEMY

The Lone Star Leadership Academy is a leadership program and development opportunity. Five t-shirts will be provided during the week; colors and details for each day are provided below. Shirts are distributed each evening while at camp. To comply with the standards of dress appropriate for each day of the program, Education in Action requires the following dress code for students, instructors, and staff:

DAY	SHIRT COLOR	WHAT TO WEAR
Sunday	N/A	Casual dress
Monday*	Bright Blue	Leader t-shirt (provided), tucked in with jeans/pants or shorts
Tuesday	Denim Blue	Cowtown t-shirt (provided), tucked in with jeans/pants or shorts
Wednesday	Dark Red	Dallas t-shirt (provided), tucked in with jeans/pants or shorts
Thursday	Navy Blue	Souvenir t-shirt (provided), tucked in with jeans/pants or shorts
Friday	Red	LSLA t-shirt (provided), tucked in with jeans/pants or shorts

***Monday Dress:** Participants will be visiting the Summit Rock Climbing Gym. All students must wear tennis shoes and girls may not wear dresses or skirts.

Shoes: Participants will spend a lot of time walking. Please wear comfortable shoes. Tennis shoes are best for every day of the program.

Participants may not wear:

- Spandex/leggings
- Halter tops, strapless tops or dresses, shoe-string straps, or half-shirts
- Short shorts (*must be below fingertips when standing with arms hanging down by one's side*)
- Athletic shorts
- Flip-flops (*except in the showers*)

Participants not in compliance with the dress code will be sent back to the dorms to change.

MONEY

The program tuition fee covers a student's accommodations, all meals during the week (dinner on Sunday through lunch on Friday), and all activities. Students may, however, choose to bring extra money. Souvenirs are available at gift shops of various sites during the program. Education in Action recommends that students bring no more than \$50.00 in cash. Students should keep all monies in their possession while traveling and should not store money in their luggage.

ADDITIONAL SUGGESTIONS

A few items you will find helpful include cash (*see "Money" section*), a watch, postage stamps, and a camera. If you bring a camera, buy film/memory cards and batteries at home. Prices are higher in gift shops. **Do not bring valuables.** Education in Action recommends that you not leave anything of value in the dorms. Education in Action cannot be responsible for the loss or theft of personal items. You will receive a backpack at registration. Because your schedule will be busy and filled with visits to many different locations, Education in Action recommends that you carry items you will need during the day in your backpack and keep it with you at all times unless otherwise indicated by program facilitators.

PACKING CHECKLIST

While packing for the Lone Star Leadership Academy, keep several factors in mind: the baggage limit of two bags per participant (bedding is not considered a bag), limited space in the dorms (there are no closets), the variable Texas weather, the Academy dress code, and the activities you will be involved in as a participant in the Academy. One medium-sized suitcase and a piece of carry-on luggage should be sufficient. Mark all belongings clearly with your name and address. A suitcase without a luggage tag is easily lost. For your convenience, luggage tags are included in your welcome packet. It will be your responsibility to carry and load your own luggage. Do not leave your bags unattended for someone else to load. Do not over-pack!
