BEING A LEADER

What is a leader?

(My definition - no right or wrong answers.)

- Past U.S. Presidents, author Maya Angelou, and actors Matthew McConaughey and Emma Watson were student leaders.
- Student leaders foster a positive school culture and motivate and engage other students.
- Being a student leader teaches the importance of collaboration and teamwork.

Think of someone that is a good leader.

What do they do or say?

How do they make others feel?

What makes **ME** a good leader?

What do **I** do or say?

How do I want others to feel when I'm around them?

ENRICHMENT

Think of a time when you felt like a leader. Describe the situation. What did you do? What went well? What could you have done better? List your feelings.
