

FOURTH GRADE TEACHERS

EXPERIENCE TEXAS WITH YOUR ENTIRE GRADE LEVEL!

Education in Action invites you and your 4th graders to travel to Abilene with "Billy the Bison" to experience life on the wild frontier! At Frontier Texas your students will relive buffalo stampedes, a wolf attack, and more while learning about the many different groups of people who played out their lives on the Texas frontier. Then it's on to the Taylor County History Center for a tour of the Buffalo Gap Historic Village to see what daily life was like in the Old West. The best part is, we handle the details so you don't have to. Charter bus? Check. Reservations? Check. Fun, meaningful, TEKS-based curriculum for the entire day? Check. Join us on "Adventures of the Wild Frontier" for a day your students won't soon forget!
