

VETERINARY HEALTH FACT SHEET

ABOUT SBH MEDICAL:

- SBH Medical (SBH) is a full-service compounding and infusion pharmacy providing innovative treatment options for physicians and patients. SBH is committed to delivering the highest-quality products, maintaining clinical excellence and providing premier customer service.
- Headquartered in Worthington, OH, SBH was founded over 35 years ago and is a member of the Professional Compounding Centers of America.
- SBH also is accredited via the Accreditation Commission for Health Care (ACHC) and the Pharmacy Compounding Accreditation Board (PCAB).
- SBH offers custom compounding, home infusion, physician/office-based services, clinical access and access to alternative forms of commonly prescribed medications.
- SBH has an on-site pharmacy where patients can pick up their prescriptions, or prescriptions can be shipped directly.

ABOUT VETERINARY COMPOUNDING:

- SBH creates custom prescriptions to accommodate an animal's specific health needs.
- To help medicate pets, SBH can transform prescriptions into capsules, transdermals, compounded injectables, suppositories, treats and optic preparations. SBH also supplies non-compounded medications.
- Medications also can be flavored to make them more palatable for pets. With over 80 flavors to choose from, some of the most popular flavors include chicken, apple, liver and peanut butter.
- Serving household pets to zoo animals, SBH often works with family veterinarians, zoos and exotic emergency pet care clinics. SBH offers many advanced veterinary and pet compounding services, such as equine compounding, veterinary ophthalmology compounding, avian or exotic animal compounding and small animal/rodent compounding.
- Through compounding services, SBH aims to take the stress out of medicating animals for veterinarians and pet owners.
