1907 E 14th is a pair of stylish, newly constructed homes, featuring clean lines with natural rustic woods & textures. Creatively designed for comfort & spacious living that centers on a carefully appointed kitchen. Double sliding doors extend kitchen & indoor living area to a large screened-in porch in back. Developed by ATX Investments, designed by Architect A.J. Smith (Forsite Studio) & built by Deville Custom Homes. A convenient urban core location: ~0.7 mile to I-35; ~0.8 miles to MLK MetroRail Station; ~1.2 miles to UT Austin; ~1.6 miles to State Capitol; and ~7 miles to airport.
