Just
Listed

5605 Agatha Circle is a chic home, within the Agave Modern neighborhood. Designed by KRDB, the distinct architecture of this home offers an abundance of natural light through strategic window & wall placement, large sliding doors, high ceilings and open floorplan. Agave is an alternative community comprised of modern architectural homes. With a convenient urban core location, Agave is situated at the junction of Hwy 183 & MLK Blvd., ~6 miles to Downtown & ~10 minutes to the airport.
