

# TYPING TITANS

A Little Tesoros Program  
Based on Keyboarding Without Tears

In today's digital world, typing is an essential skill.

Many skills go into successful typing such as hand-eye coordination, fine motor skills, visual memory, and looking between two surfaces. Through grade level/skill level appropriate activities, practice, and support by trained occupational therapists, kids grades K-5 will improve essential skills and apply to daily typing demands, becoming a
